PRE-EMPLOYMENT DRUG AND ALCOHOL TESTING

I understand that I must take and pass a drug and alcohol test in order to be hired by the Lyons Township Area Communications Center (LTACC).

I know I may refuse to take the test if I wish, but that my refusal will mean I will not be hired.

I have been told that if I choose to be tested:

- I will have to provide a urine specimen at a facility chosen by LTACC and cooperate in the facility's normal collection procedures;
- My specimen will be sent to a laboratory chosen by LTACC and tested for evidence I use drugs such as marijuana, cocaine, opiates, PCP, and amphetamines;
- If the lab finds no evidence of such drug use in my urine, I will have passed the test and may (but not necessarily) be eligible to be hired;
- If the lab finds evidence of such drug use in my urine, a doctor retained by LTACC will make reasonable efforts to contact me to offer me an opportunity to rebut or explain my test results. If I rebut or explain the results to the satisfaction of the doctor, I will be treated as if I have passed the test;
- If I do not satisfactorily rebut or explain any evidence of drug use, the doctor will disclose my results to LTACC and I will not be hired;
- If I fail the test, I may re-apply in six months or after submitting evidence I am participating successfully in a drug treatment program.

After considering my option, I have freely, knowingly, and voluntarily decided to:

_____ Consent to be tested

_____ Refuse to be tested

ACKNOWLEDGEMENT OF WORKING CONDITIONS

It is LTACC's desire to ensure that applicants for employment are aware of the unique circumstances and requirements to work in a 911/Emergency Communications Center. Applicants should carefully read each item, and initial if they understand.

I understand that should I be employed by the Lyons Township Area Communications Center, that:

- _____ Though my normal work week is an 8 hour day, 40 hours a week; I may be ordered to work 4-8 additional hours with little or no notice.
- _____ That I may be ordered into work in cases of short staffing or emergency incidents with little notice, and that I may not refuse such an order.
- _____ That I will be required to wear a headset that covers 1 ear for the duration of my shift.
- _____ That I may be required to remain at a dispatch console for long periods of time without a break.
- _____ That I will be exposed to phone calls and emergency incidents that may involve situations including hostile callers, domestic violence, physical injury, and/or death.
- _____ That my shift assignment and day off rotation are subject to bidding based on a collective bargaining agreement, once I complete training; and that I may not get my preferred choices. LTACC operates 24 hours a day, 7 days a week and never ceases operation.
- _____ That my normal work schedule and/or mandatory overtime will include working weekends and holidays. Employee requests for specific days off are regulated by the Personnel manual and/or collective bargaining agreement, and may not necessarily be granted.
- _____ That I am expected to plan accordingly to report for duty, even in cases of severe weather.
